THE LEADING HOTELS OF THE WORLD®

Lili is our reception services trainer. She implements the standards, using her experience working in 5 star hotels including The Marker, The Westbury and The Berkley Court. Her goal is to ensure all our visitors get a warm, welcoming smile in a professional and friendly manner. Lili sets standards including uniform, grooming, customer service, reception manuals and reviews and approves all third party service suppliers as well as ensuring staff are trained on the building management basics and software.

Our team makes the customer interaction in the buildings we serve more valued by providing better selected, better trained, client focused front of house staff together with benefits and services that enhance the overall experience.

Sinead, Brian and the team have provided an exemplary reception service including great staff, technology support and integrated caretaking and cleaning services.
